Part Number Update

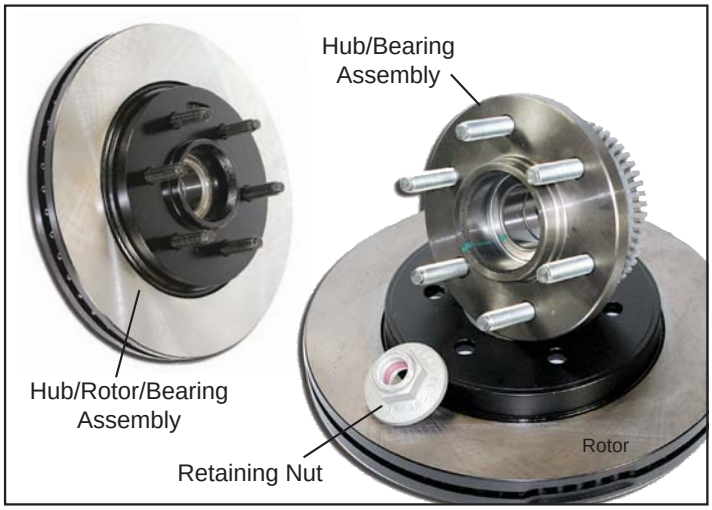
Bulletin No: PNU-129-000 Effective Date: November 4, 2008 Cancels: N/A

Subject: **Formula Blue® Hydraulic Products: New Hub/Rotor Kits for Ford® F-150 Vehicles**

Bendix Spicer Foundation Brake is now offering an upgraded hub/rotor/bearing assembly for Ford® F-150 vehicles. Instead of a single-piece rotor/hub/bearing assembly, the new kit supplies a new hub/bearing assembly, retaining nut, and floating-style brake rotor.

After installing this rotor/hub design, future rotor service requires only the rotor be replaced.

See the table below for the original part numbers and the new kit numbers.



New retrofit kit includes hub/bearing assembly, retaining nut, and brake rotor.

Number of Lugs	Obsoleted Formula Blue® Part Number	Formula Blue® Retrofit Kit Part Numbers	Premium Formula Blue® Rotor Replacement
Six (6)	E12570103	E12570133	E12570105
Seven (7)	E12570104	E12570134	E12570106
